

How To Improve Google Ads Results

Released in 2022, Matt Walsh's film "What is a Woman?" delves into the complex topic of gender identity. The documentary explores the changing discussion about sex and gender by interviewing a variety of people.

01

Theme

"What is a Woman?" centers on Matt Walsh's investigation of gender identity, particularly regarding transgender individuals. The film questions the biological definition of sex versus gender identity.

Not on TV, But Sparking Online Discourse

The documentary has not been shown on television and likely won't be due to its controversial nature and association with a specific online platform.
