

# Adam Sandler Movies on Netflix

**Looking for a good laugh? Adam Sandler's movies on Netflix are the answer! The comedy legend has a collection of films on the platform, perfect for fans of his funny style and those who like his serious acting**

Adam Sandler, famous for his funny roles and silly jokes, now works with Netflix. This collaboration has brought many Sandler classics and new movies to the platform, delighting his fans.

Even though these movies may not aim for big box office success, they are loved by a loyal audience and get praised by critics.
