

# DUTY AFTER SCHOOL NETFLIX

Looking for a sci-fi take on high school drama? Check out "Duty After School," a South Korean series that puts a twist on the usual coming-of-age story. It throws ordinary teens into an extraordinary situation, where they must use rifles to protect Earth from sudden alien attacks.

## DIRECTORS AND CREATORS

Sung Yong-II, an experienced South Korean director in film and TV, directs the series. He's praised for his dynamic visuals and talent in creating suspense.

## AWARDS AND RECOGNITION

"Duty After School" has quickly gained a positive reputation and loyal fans despite being a new series. It's praised for its fresh concept, exciting action scenes, and emotional character development.
